Boys Camper Care Director

The Camper Care Director provides professional support for camper well-being and staff guidance. This role ensures that camper needs are anticipated, addressed, and supported throughout the summer. This job should ideally have a social work or psychology degree.

Pre-Camp Responsibilities

- Collaborate with the Camp Director to review all camper forms, identifying potential concerns or areas needing support.
- Work with the Head Counselor to develop camper support plans when necessary.
- Assist in preparing and leading sessions for pre-camp staff training focused on camper care and support strategies.

In-Camp Responsibilities

- Serve as a primary resource for both staff and campers on emotional, behavioral, or social challenges.
- Meet daily with the camper care team to review needs and plan interventions.
- Act as the first point of contact for emergency camper care situations, including reporting and coordinating follow-up support.
