Boys Infirmary Director

The Infirmary Director ensures the health and safety of campers by managing all medical operations, coordinating staff, and overseeing camper care. This role serves as the primary point of contact for medical issues at camp.

Pre-Camp Responsibilities

- Review camper medication lists and ensure proper documentation.
- Communicate with parents regarding specific medical concerns or instructions.
- Order and organize all necessary supplies for the infirmary.
- Consult with the volunteer doctor to establish medical processes and protocols.

In-Camp Responsibilities

- Collect, organize, and securely store all camper medications.
- Distribute camper medications daily, following proper protocols.
- Coordinate with the Medic regarding hours, availability, and medical coverage.
- Serve as the primary point of contact for medical issues and decision-making.
